

## **ALIMENTARY TRACT & METABOLISM**

### **alimentary tract, general**

- antiemetics/antinauseants
- antispasmodics
- appetizers
- blood sugar regulators
- digestives
- enzymes
- other alimentary tract products

### **intestine**

- antiflatulents/carminatives
- electrolyte replacers/oral rehydration salts
- intestinal adsorbents
- laxatives
- other antidiarrhoics
- other products for intestine
- prebiotics
- probiotics

### **liver/bile**

- choleretics/cholekinetics
- hepatic protectors

### **odontologicals**

- caries prevention
- other teeth care
- products against paradontosis
- teeth whitening
- toothbrushes
- toothpastes

### **stomach**

- antacids, plain
- H<sub>2</sub> antagonists
- other stomach products
- proton pump inhibitors

### **stomatologicals**

- anti-inflammatory/antiseptics
- artificial saliva/saliva excretion stimulators
- dentures adhesives
- dentures cleaning
- mouth deodorants
- mouth ulcers treatment
- mouth/throat moisturizers
- mouthwashes

oral antifungals  
oral wound healing/gum care  
other oral care

## **CIRCULATORY ORGANS**

### **blood**

cholesterol reducers/immunity enhancers  
cholesterol/triglyceride reducers  
platelet aggregation inhibitors

### **circulatory, general**

other circulatory products

### **heart**

heart support

### **vessels**

antihemorrhoidals  
heart/circulation support  
varicose therapy, systemic  
varicose therapy, topical  
varicose therapy/anti-inflammatory, topical  
vein support  
vessels/circulation support

## **DERMATICS**

### **hair**

anti-dandruff shampoos  
hair nutrients, systemic  
head lice products  
other anti-dandruff products  
other hair care products

### **lips**

cold sore (lip herpes) products  
lip balms  
lip decorative cosmetics  
sets of lip products

### **nails**

nail infection treatment  
other nail care products

### **skin infections**

acaricides/bactericides  
antifungals, topical  
antiseptics/disinfectants

**skin irregularities**

- anti stretch-marks products
- anti-acne products
- depilators
- other products for hairy skin
- scar treatment
- vitiligo alleviation
- wart removers

**skin irritation**

- anti-inflammatory/anti-pruritics
- insecticides
- repellents
- repellents and anti-inflammatory/anti-pruritics

**skin, general**

- after sun care
- cooling ointments
- hand creams
- ointment bases
- other topical skin products
- personal lubricants
- self-tanning products
- sets of products
- skin colloration/sun protection, systemic
- skin colloration/sun protection, topical
- skin nutrients, systemic

- skin/hair/nail nutrients, systemic

**wounds/damaged skin**

- anti-inflammatory/antiseptics
- emollients/protectives
- skin healing
- wound healing
- wound irrigation
- wound prevention
- wound protection

## DIAGNOSTIC TESTS

### **blood sugar control**

glucose level control accessories

### **cardio risk-factors blood tests**

cholesterol, triglyceride, glucose control accessories

cholesterol, triglyceride, glucose, lactate control accessories

glucose, heart rate, pressure tests

### **cholesterol/triglycerides blood tests**

cholesterol control accessories

cholesterol, triglycerides control accessories

triglyceride control accessories

### **other blood tests**

borrelia tests

celiac disease tests

glucose/ketone blood tests

lactate tests

LKM tests

### **skin allergy testing**

allergy testing solutions

### **urine tests**

glucose/ketone urine tests

### **women sex-hormones tests**

menopause tests

ovulation tests

pregnancy tests

## EYE & EAR

### **ear**

earwax removal products

other ear care products

### **eye**

artificial tears/eye lubricants

eye anti-allergics/anti-inflammatory

eye decorative cosmetics

eye nutrients

eye protection

eye rinse

lens rinse

other eye care products

## FEET

### feet

- anti-callus products
- feet antifungals
- feet deodorants/antiperspirants
- other feet care products
- products for blisters
- products for corns
- toe protection

## GENERAL HEALTH SUPPORT

### bonbons with purpose

- bombons

### digestion support

- fibres containing food
- other digestion support
- prebiotics containing food
- tonics

### energy

- energizers
- enriched/healthy food

### nutrition

- enriched/healthy food
- nutrients

### regeneration

- antioxidants
- detoxification products
- other regeneration products

### relaxation

- aromatherapy/relaxation
- massages

### respiratory support

- other respiratory support

### substitutes

- coffee substitutes
- special salts
- sugar substitutes

### teas

- teas

## HYGIENE

### **general hygiene**

- after-shaves
- baby diapers
- baths
- deodorants/antiperspirants
- face cleaners
- intimate care
- other hygiene products
- shampoos
- shaving foams
- shower/shampoos
- shower/soaps
- wipes

### **incontinency**

- incontinency bed pads
- incontinency diapers
- incontinency diapers, male
- incontinency pads
- incontinency pads, female
- incontinency pads, male
- incontinency pants with insertion
- incontinency pants with insertion, female
- incontinency pants with insertion, male
- intocinency wipes

## IMMUNITY & ALLERGIES

### **allergy**

- anti-allergy other products
- antihistamines, systemic
- immunotherapy

### **immunity**

- immunity enhancers
- probiotics
- sets of products
- vitamins and minerals comb.

## MEDICAL EQUIPMENT

### **disinfection**

surface/instruments disinfection

### **patient medical devices**

insulin injector needles

insulin injectors

### **professional medical equipment**

lubricants for medical examinations

other medical accessories

## NERVOUS SYSTEM

### **antismoking**

antismoking other products

nicotine replacers

### **central nervous system**

calmatives

memory/concentration enhancers

memory/concentration support

mood enhancers

sleeping aids

### **stress**

adaptogens

psychic support

## PAIN

### **general pain/fever**

analgesics/anti-pyretics

### **musculo-skeletal pain**

analgesics/anti-inflammatory

joints anti-inflammatory/analgesics

topical analgesics

topical injections

topical pain relief

### **musculo-skeletal pain prevention**

joints stabilizing bandages

### **other pain conditions**

pain, other products

## RESPIRATORY ORGANS

### lungs

- antitussives
- expectorants/mucolytics

### nose

- against nose bleeding
- anti-snoring products/nasal breathing alleviators
- nasal decongestants, per-oral
- nasal decongestants, topical
- nasal decongestion devices
- nasal moisturizers/nasal hygiene
- nasal mucous protection against allergens

### respiratory, general

- analgesics, cold and flu comb.
- antiseptics
- inhalations
- other respiratory products

### throat

- oral and throat antiseptics/analgesics
- oral and throat mucosa protection

## SPECIAL FOOD

### baby food

- baby food
- infant formulas

### diabetic food

- sugar-free food

### food for special medical purposes

- balanced diet
- energetic food
- glutamin enriched diet
- inflammation modulating food
- protein food
- special baby food

### non gluten food

- non gluten food

## UNCLASSIFIED

### other

- bone protection and reconstruction
- detergents
- galenic raw material
- other
- sets of products

## UROGENITAL

### reproductive tract and sex hormones

- aphrodisiacs/libido enhancers
- contraception
- emergency contraception
- erectyle dysfunction products
- menopause symptoms alleviators
- menopause/menstruation symptoms alleviators
- other reproductiva tract products
- vaginal antifungals
- vaginal antiseptics
- vaginal care
- vaginal probiotics

### urinary tract

- diuretics
- diuretics/uroantiseptics
- prostatic desease products
- urinary calculi products
- urinary tract other products
- urinary tract protectors

## VITAMINS & MINERALS SUPPLEMENTS

### minerals supplements

- calcium, magnesium comb.
- calcium, magnesium, zinc comb.
- calcium, other comb.
- calcium, plain
- calcium, vit. C comb.
- calcium, vit. D3 comb.
- calcium, vit. D3, magnesium comb.
- iodine, plain
- iron/iron comb.

magnesium, other comb.  
magnesium, plain  
magnesium, vit. B6 comb.  
magnesium, vit. C comb.  
other minerals/comb.  
zinc/zinc comb.

**vitamins and minerals supplements**

vitamins and minerals comb.  
vitamins and minerals with antioxydants

**vitamins supplements**

folic acid/folic acid comb.  
multivitamins  
multivitamins with antioxydants  
other plain vitamins  
vit. B, range  
vit. C, plain  
vit. E, plain

**WEIGHT LOSS & SLIMMING****anti-cellulite**

anti-cellulite products

**diet food**

balanced diet

**other weight loss/slimming products**

sets of weight loss products

**slimming**

body-shaping products, topical

**weight loss**

appetite reducers/fat-binders  
appetite reducers/fat-burners  
fat-binders/fat-burners  
metabolism inhibitors/fat-binders  
other weight loss products
